FORGERY ALERT

Since January 2003, there have been three reported cases of forged wallet cards.

- Individuals and companies are encouraged to protect themselves from fraud and possible financial and legal entanglements by routinely checking the claimed certification status of individuals against this Internet list of NDT personnel currently certified by NRCan.
- Do not accept a facsimile image of a wallet card as proof of certification; directly verify the faxed information against this web site listing.
- In order to protect the reputation of CGSB/NRCan certification and to avoid potential legal or financial ramifications, you are requested to alert NRCan to any irregularities that you may perceive in the certification of individuals.
