

FIRST NATIONS FORESTRY PROGRAM (FNFP)

Information for submitting a project request for 2006-2007

IMPORTANT- THE DEADLINE FOR SUBMITTING A PROJECT IS

MONDAY, FEBRUARY 20, 2006 at 11 h 59 m PM

Refer to the "Eligibility Guide for Projects 2006-2007".

The document presents, among other things, the objectives of the program to which your project must comply and it gives some examples of activities that are or are not eligible. You will also find in appendices the list of eligible activities and silvicultural work that you will need for submitting a project.

1) QUALITY OF YOUR PROJECT REQUEST

Give all requested information on each page. This has a direct influence on the evaluation of your request and the budget alloted to your project.

2) SUBMIT ALL YOUR ELIGIBLE ACTIVITIES

Submit all your eligible activities to the FNFP even if you are not requesting specific funds for these activities. In this way, we can consider the total effort in forestry made by your community and it will reflect positively on your project evaluation.

3) MAXIMUM CONTRIBUTION - REMINDER

The maximum contribution of the program is 50% of the total cost for training and negotiation activities and 80% for all other activities.

4) FORM AVAILABILITY

The "Project Request 2006-2007" form has four (4) pages and two (2) appendices. It is available by e-mail in EXCEL format or in PDF format on the Web site at: http://www.cfl.scf.rncan.gc.ca/CFL-LFC/nos_realisations/pfpn_e.html

Send the completed form by:

The 7% has to be calculated only on page 2 of the "Project Request Summary".

SPECIFIC INFORMATION FOR ON RESERVE SILVICULTURAL WORK

Note: Attach maps on a suitable scale that show the location of each activity as well as the potentially sensitive sites to help with the environmental impact study.

| For each silvicultural activity, please use additional sheets to specify: | | | | | |
|---|---|--|--|--|--|
| | Code and title of silvicultural work as presented in Appendix B "Codes and rates for silvicultural work" of the "Eligibility Guide for Projects". | | | | |
| | Identification of stand, area or quantity. | | | | |
| | Your identification number of the area. | | | | |
| | Nature of silvicultural prescription (objective, techniques, equipment). | | | | |
| Note: The prescription must at least comply with the widely recognized forestry guidelines applied in the Province of Quebec. However, you can suggest innovative or modified prescriptions that go beyond these guidelines in terms of respecting forest ecosystems and traditional Native values. You can discuss this possibility with your CFS forestry advisor. | | | | | |
| TECHNICAL SERVICES IN FORESTRY | | | | | |
| | Supervision of silvicultural work: | Name and functions of the technical personnel (assistant technician, technician, forest engineer). | | | |
| | Forest management plan: | Consult the suggested steps in the CFS document "Integrated forest resources management plan development process". | | | |
