

Acknowledgements

We would like to thank the many people who contributed to the development of the Mining Information Kit for Aboriginal Communities.

The creation of the Information Kit was a collaborative effort involving valuable input and feedback from Aboriginal leaders, industry and technical experts, adult educators, and government officials. In particular, we would like to acknowledge the project partners for the information and advice they provided.

We would also like to recognize the following organizations for supplying the images that appear in the Information Kit:

Syncrude Canada Ltd.	Saskatchewan Mining Association
Voisey's Bay Nickel Company Ltd.	Prospectors and Developers Association of Canada
Kasabonika Lake Prospectors	Talisman Consulting
Diavik Diamond Mine Inc.	Teck Cominco
BHP Billiton Diamonds Inc.	North American Palladium Ltd.
The Mining Association of Canada	Natural Resources Canada

Thanks again to everyone who was involved in this exciting project.
