# Contents of Guide

---

- Why Businesses Should Act
- Understanding Pandemic Influenza
- Themes in Preparedness
  - Worker awareness
  - Business continuity
  - Infection countermeasures
- Steps in the Planning Process
- Actions to Consider

# Early Actions to Consider...

---

1. Assemble a Pandemic Planning Team
2. Meet with Health and Local Authorities
3. Prepare Employee Awareness Materials
4. List Essential Business Functions
5. Prepare a List of Alternate Personnel
6. List Alternate Suppliers
7. Develop an Infection Countermeasures Plan
8. Prepare Employee Policies
9. Plan to Stockpile Essential Resources
10. Prepare a Pandemic Influenza Management Plan
