Business Checklist

In the event of a pandemic influenza, businesses will play an important role in maintaining basic services. Here is a checklist to help reduce the negative impact an influenza pandemic may have on your organization. The following checklist identifies specific activities businesses can do now to prepare for this or any other emergency.

1. Plan for the impact of a pandemic on your business:

Task	Not Started	In Progress	Completed
Identify a pandemic coordinator and/or team with defined roles and responsibilities for preparedness and response planning. The planning process should include input from labour representatives	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Identify essential employees and other critical inputs (e.g. raw materials, suppliers, sub-contractor services/ products, and logistics) required to maintain business operations by location and function during a pandemic.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Train and prepare ancillary workforce (e.g. contractors, employees in other job titles/descriptions, retirees).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Develop and plan for scenarios likely to result in an increase or decrease in demand for your products and/or services during a pandemic.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Determine potential impact of a pandemic on company business financials using multiple possible scenarios that affect different product lines and/or production sites.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Find up-to-date, reliable pandemic information from community, public health, emergency management, and other sources and make sustainable links.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
