Monthly Median Rent

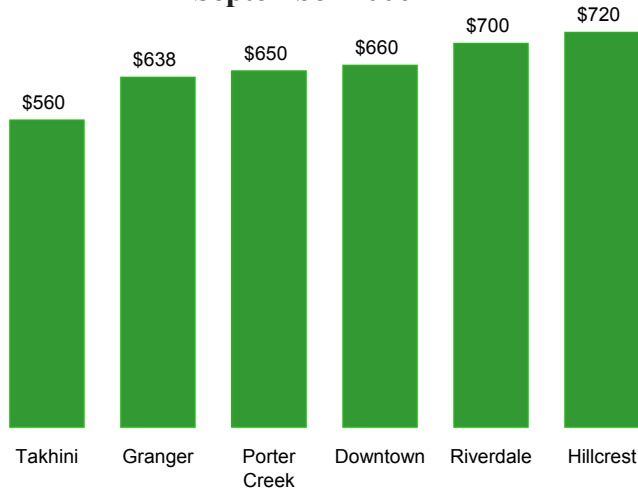

Median Rent

'Median rent' refers to the rental value at which one-half of the rents are higher and one-half of the rents are lower. This middle point is a better indicator of prices than average rent would be.

Distribution of Whitehorse Rental Units and Vacancies, September 2006

The Yukon Rent Survey is a Yukon Bureau of Statistics survey that is carried out every third month (March/June/September/December) in Whitehorse, Watson Lake and Dawson City. This survey began in the Yukon in 1977 and has continued to the present with only minor changes in survey design. The survey covers all **buildings with four or more units**. Buildings with less than four units (such as houses, suites and duplexes) are excluded from the survey.
