COMPUTER CAMP 2006

Brief Overview:

Whether you're just a beginner or advanced in computer applications, the 2006 **SUMMER COMPUTER CAMP** has something to offer everyone. The Department of Education, Advanced Education is offering weekly camps throughout the summer for youth ages 8 to 15 a chance to explore the information highway, learn about applications, and partake in a wide variety of daily recreational activities. Campers have the opportunity to challenge their mental, creative and physical skills, as well as, meet new people and make new friends. Each camp ends with a BBQ to top of the week's activities. So try something different this summer and get involved with **Computer Camp**.
