Data Limitations:
Access Consulting Group (ACG) compiled data from various sources and agencies to prepare the maps in this atlas. Since the compilation contains information derived from multiple sources the data provided herein may be inaccurate or out of date. Furthermore any person who relies on said information for any purpose whatsoever does so with a recognition of the data limitations and solely at his or her own risk. While every effort has been made to ensure the accuracy, precision and timeliness of materials presented in these maps, ACG assumes no responsibility for errors or omissions inherent in the original data prior to its being compiled by ACG. ACG is not responsible for claims by a third party. The maps shown here are for illustrative purposes only, are intended for use only at the published scale, and are not suitable for site-specific decision making. The data may have a number of errors which may contain but are not limited to the following:

- Spatial Errors - Registration Errors - Attribute Errors - Currency Errors
- Completeness Errors - Projection Distortion

Data available as of November 10, 2003
