

# **Snowmobiles & Airplanes**

## **Don't Mix**

**We want to provide a safe airport for aircraft, pilots and passengers. Snowmobiles and airplanes just don't mix.**

**Canadian Aviation Regulation 302.10 (c) allows for fines of up to \$5,000 for snowmobiling on community airports.**

**Pedestrians, dogs, horses, motorbikes and ATV's don't belong on an airport as well.**

**If you need to go onto airport lands, please obtain permission by contacting the Aviation & Marine Branch at 867-634-2450.**

**Please help us to keep our airports safe.**
