**Preamble (for items 1 to 9)**

On 11 January 2005, the Commission issued Broadcasting Public Notice CRTC 2005-3 calling for applications for broadcasting licences to provide radio programming services for Charlottetown, Prince Edward Island.

On 15 September 2004, the Commission issued Broadcasting Public Notice CRTC 2004-68 calling for applications for broadcasting licences to provide radio programming services for New Glasgow, Nova Scotia.

In response to these calls, the Commission has received a number of applications for licences to serve these markets.

Some of these applications are proposing to use similar frequencies and are therefore technically mutually exclusive. The applications are:

For Charlottetown, items 1 and 2 are technically mutually exclusive proposing the use of the frequency 95.1 MHz. These applications along with items 3, 4 and 5 will be treated as competitive radio applications for Charlottetown.

For New Glasgow, items 6, 7, 8, and 9 are technically mutually exclusive proposing the use of the frequency 94.1 MHz. All of these will be treated as competitive radio applications for New Glasgow.

**For items 6 to 9**

These items involve competitive radio applications which the Commission proposes to consider, subject to interventions, as part of the non-appearing phase of this proceeding.

1. **Charlottetown, Prince Edward Island**  
**Application No. 2005-0430-0**

Application by **Maritime Broadcasting System Limited** to convert radio station CFCY Charlottetown from the AM band to the FM band.

The new station would operate on frequency 95.1 MHz (channel 236 C1) with an average effective radiated power of 73,300 watts (maximum effective radiated power of 100,000 watts/antenna height of 179 metres).

The applicant is requesting permission to simulcast the programming of the new FM station on CFCY for a period of three months from the date of implementation of the new station.

The applicant is also requesting, pursuant to sections 9(1)(e) and 24(1) of the *Broadcasting Act*, the revocation of the licence of CFCY effective at the end of the simulcast period.

The applicant proposes to maintain its current Country music format.

The Commission will only proceed with this application at the public hearing if advised by the Department of Industry, at least twenty days prior to the hearing, that it is technically acceptable.

This application requires the issuance of a new licence.

or

**by fax at**  
(819) 994-0218

A true copy **must** be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

In the event that the application is brought to the oral phase of the hearing, and if you wish to appear, you must provide reasons why your written comments are not sufficient and why an appearance is necessary.

Persons requiring communications support such as assistance listening devices and sign language interpretation are requested to inform the commission at least twenty (20) days before the commencement of the public hearing so that the necessary arrangements can be made.

### **Important**

All information submitted, including your email address, name and any other personal information as provided, will become part of the public record and can be viewed on the Commission's Web site.

Documents sent in electronic format will be put on the Commission's Web site exactly as we received them, and in the official language and format in which they are sent. Documents not received electronically will be scanned and put on the Web site.

### **Examination of documents**
