1. **Moncton and Sussex, New Brunswick; Amherst, Nova Scotia** **Application No. 2005-0240-3**

Application by **International Harvesters for Christ Evangelistic Association Inc.** to amend the licence of radio programming undertaking CITA-FM Moncton, New Brunswick.

The licensee proposes to add FM transmitters at Sussex, New Brunswick and Amherst, Nova Scotia, to broadcast the programming of CITA-FM, a Christian music service, in order to serve the Sussex and Amherst communities.

The transmitter at Sussex would operate on frequency 107.3 MHz (channel 297LP) with an effective radiated power of 48 watts (non-directional antenna/antenna height of 64 metres).

The transmitter at Amherst, Nova Scotia, would operate on frequency 99.1 MHz (channel 256LP) with an effective radiated power of 50 watts (non-directional antenna/antenna height of 21 metres).

The licensee also proposes to make a minor change in the authorized contours of CITA-FM by relocating the transmitter and by increasing the antenna height.

Public Participation

Deadline for Interventions/Comments

12 October 2005

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the

Broadcasting Intervention/Comments Form

located below the description of each application within this public notice

or

by mail to

CRTC, Ottawa, Ontario K1A 0N2

or

by fax at

(819) 994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

Important

All information submitted, including your email address, name and any other personal information as provided, will become part of the public record and can be viewed on the Commission's Web site.

Documents sent in electronic format will be put on the Commission's Web site exactly as we received them, and in the official language and format in which they are sent. Documents not received electronically will be scanned and put on the Web site.

Examination of Documents

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other CRTC offices and documentation centres.
