Application by **Newcap Inc.** (Newcap), **on behalf of CKVN Radiolink System Inc.** (Radiolink) seeking authority to transfer the effective control of Radiolink to Newcap.

Radiolink is the licensee of the commercial radio station CHNR-FM Winnipeg, a licence awarded pursuant to Broadcasting Decision CRTC 2002-225 (Decision 2002-225) of 8 August 2002.

The application is for the transfer of 80.1% of Radiolink's shares to Newcap pursuant to a Share Purchase Agreement (SPA) dated 22 January 2005. As part of a first closing, Newcap holds 19.9% of Radiolink's voting shares.

Further pursuant to the SPA, Radiolink will enter into a management consulting agreement with Mr. Lee Smith for a 3-year term and an annual compensation of \$60,000.

Newcap and Radiolink also entered into a Management Agreement on 26 January 2005 which confers certain general management services for CHNR-FM to Newcap.

The value of the transaction is estimated by Newcap at \$1,790,000. The applicant has committed to the same terms and conditions currently in place at CHNR-FM including fulfilling the Canadian Talent Development budget committed by Radiolink in Decision 2002-225.

Newcap is offering to contribute \$108,241 in tangible benefits over a seven years period (representing 6% of the value of the transaction) to the development of Canadian talent, should the Commission approve its application.

The Commission is consequently inviting comments on this application, as well as on the potential effects that approval of this application would have on the broadcasting industry as a whole.
