Dear Ms. Rhéaume:

Re: Application by CHUM Limited for a Network Licence to Operate an English-language Radio Network for the Purpose of Broadcasting the Baseball Games of the Winnipeg Goldeyes during the 2005, 2006 and 2007 Seasons, Originating from CFRW-AM Winnipeg.

This is an application by CHUM Limited ("CHUM") for a network licence to operate an English-language radio network for the purpose of broadcasting the baseball games of the Winnipeg Goldeyes during 2005, 2006 and 2007 seasons.

CHUM currently broadcast Goldeyes' games on CFRW-AM Winnipeg. We were recently approached by Golden West Broadcasting Ltd. ("Golden West") to determine whether they could rebroadcast the games on their station CKMW-AM Winkler/Morden. To date, we have been permitting Golden West to pick up our feed under the terms of *Exemption Order Respecting Radio and Television Temporary Network Special Event Type 1 Undertakings* (Public Notice CRTC 2000-10).

Should the Commission require any additional information, we would be pleased to provide it on request.

Sincerely,
