Dear Ms. Rhéaume:

**Re: Application by CHUM Limited for a Network Licence to Operate an English-language Radio Network for the Purpose of Broadcasting the Football Games of the B.C. Lions during the 2005 and 2006 Seasons, Originating from CKST-AM Vancouver**

This is an application by CHUM Limited ("CHUM") for a network licence to operate an English-language radio network for the purpose of broadcasting the football games of the B.C. Lions during the 2005 and 2006 seasons.

CHUM currently broadcasts the Lions' games on CKST-AM Vancouver. A number of other radio stations would like to rebroadcast the games. To date, we have been permitting those stations on the attached list to pick up our feed under the terms of *Exemption Order Respecting Radio and Television Temporary Network Special Event Type 1 Undertakings* (Public Notice CRTC 2000-10).

Should the Commission require any additional information, we would be pleased to provide it on request.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Goldstein". The signature is written in a cursive style with a horizontal line above the name.
