Mr. Lylyk:

RE: File #8665-C12-2005 13483 Consumer Privacy

Rogers Communications Inc. (RCI) is well underway in formulating responses to the interrogatories on the above noted file. However, due to our current resource constraints, stemming from a number of proceedings operating in parallel with the Commission at this time, we would like to request an additional extension of one week. RCI will deliver these responses to your office no later than Monday, June 12, 2006.

We thank you for your consideration in this matter and look forward to your response.

Sincerely,

A handwritten signature in black ink, appearing to read "DLH".
