

Broadcasting Public Notice CRTC 2006-99

Ottawa, 3 August 2006

The Commission has received the following applications. The deadline for submission of interventions/comments is 7 September 2006.

Item Applicant and Locality

1. **Bell Canada**
Montréal and surrounding areas, Quebec
2. **Radio Matagami**
Chibougamau, Quebec
3. **Blackburn Radio Inc.**
Windsor, Ontario

1. **Montréal and surrounding areas, Quebec** **Application No. 2006-0925-8**

Application by **Bell Canada** to amend the Regional licence of its Class 1 cable distribution undertaking serving Montréal and surrounding areas.

The licensee is requesting to be relieved, by condition of licence, of the requirement pursuant to section 17(1)(c) of the *Broadcasting Distribution Regulations* to distribute the programming service of the local television stations CHLT-TV (TVA) Sherbrooke, Quebec and CJOH-TV-8 (CTV) Cornwall, Ontario.

The Commission notes that the licensee distributes, as part of its basic service, the programming service of the local television stations CFTM-TV (TVA) and CFCE-TV (CTV) Montréal.

Bell submits that it is operationally inefficient and of no benefit to its subscribers to offer what are essentially duplicate priority programming services from the same network sources.

2. **Chibougamau, Quebec**
Application No. 2006-0880-5

Application by **Radio Matagami** to amend the licence of radio programming undertaking CHEF-FM Matagami.

The licensee proposes to add a low power FM transmitter at Chibougamau to broadcast the programming of CHEF-FM Matagami in order to serve the population of Chibougamau.

The transmitter would operate on frequency 96.9 MHz (channel 245LP) with an effective radiated power of 37 watts (non-directional antenna/antenna height of 17 metres).

The Commission notes that CHEF-FM Matagami is a community radio station.

3. **Windsor, Ontario**
Application No. 2006-0924-0

Application by **Blackburn Radio Inc., on behalf of its subsidiary Bea-Ver Communications Inc.**, to amend the licence of radio programming undertaking CKUE-FM Chatham.

The licensee proposes to amend the licence by changing the frequency of its transmitter CKUE-FM-1 Windsor, Ontario from 95.1 MHz (channel 236A) to 100.7 MHz (channel 264B1).

The licensee also proposes to change the authorized contours of CKUE-FM-1 Windsor by increasing the average effective radiated power from 1,950 watts to 3,840 watts (maximum effective radiated power 9,000 watts/antenna height of 74.5 metres).

CKUE-FM-1 Windsor is currently operating as a synchronous frequency of CKUE-FM Chatham.

The licensee states that the change in frequency and increase in power will reduce interference zone and provide a better signal for the traveling public in and around Windsor and Chatham. It further states that the changes will improve reception in the Windsor auto plants, large buildings, as well as provide extensive interference free coverage of the city of Windsor and will eliminate most of the persistent co-channel interference to CKUE-FM Chatham and CKUE-FM-1 Windsor.

Deadline for Interventions/Comments

7 September 2006

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the

Broadcasting Intervention/Comments Form

located below the description of each application within this public notice

or

by mail to

CRTC, Ottawa, Ontario K1A 0N2

or

by fax at

819-994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

Important notice

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's web site at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

Documents received electronically or otherwise will be put on the Commission's web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Examination of Documents

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other CRTC offices and documentation centres.
