Application 2006-0409-2
Broadcasting Public Notice CRTC 2006-62
15 May 2006

CHNM-DT Vancouver – New transmitter in Victoria

1. The Commission **approves** the application by Multivan Broadcast Corporation (the general partner), and 650504 B.C. Ltd., Douglas M. Holtby, Geoffrey Y.W. Lau, Robert H. Lee, Joseph Segal and RCG Forex Service Corp. (the limited partners), carrying on business as Multivan Broadcast Limited Partnership, to amend the broadcasting licence for the transitional digital television programming undertaking CHNM-DT Vancouver, in order to operate a transmitter at Victoria.
2. The new transmitter will operate on channel 54B with an average effective radiated power of 78 watts.
3. The Commission did not receive any interventions in connection with this application.
4. The Commission reminds the licensee that, pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met, and that a broadcasting certificate will be issued.
5. The transmitter must be operational at the earliest possible date and in any event no later than 24 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 11 July 2008. In order to ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.
