

Telecom Order CRTC 2006-217-1

Ottawa, 29 August 2006

Bell Aliant Regional Communications, Limited Partnership

Reference: Tariff Notice 200

Asymmetric digital subscriber line wide area network service

Erratum: Telecom Order CRTC 2006-217

In paragraph 35 of *Asymmetric digital subscriber line wide area network service*, Telecom Order CRTC 2006-217, 23 August 2006 (Order 2006-217), the monthly rate elements for the asymmetric digital subscriber line (ADSL) wide area network (WAN) access service were transcribed incorrectly. As a result of this error, the rates for one-year and three-year contract periods were reversed. Accordingly, the table in paragraph 35 of Order 2006-217 should read as follows:

ADSL WAN Access	1 Yr Rate (per month)	3 Yr Rate (per month)
First 500, each	\$95.00	\$85.00
Next 500, each	\$85.00	\$75.00
1001 or more, each	\$70.00	\$60.00
	one-time charge	one-time charge
Service Charge per access	\$225.00	\$225.00
Remapping Fee	\$500.00	\$500.00

Secretary General
