Arabic TV 2 – Category 2 specialty service

*In this decision, the Commission **approves** an application for a broadcasting licence to operate a new Category 2 specialty programming undertaking.*

The application

1. The Commission received an application by Ethnic Channels Group Limited (Ethnic Channels), for a broadcasting licence to operate a national, third-language, ethnic Category 2¹ specialty programming undertaking to be known as Arabic TV 2.
2. The applicant proposed to offer a general interest service that would be devoted to the Arabic-speaking community. The service would offer news, information and entertainment programming of cultural significance to that community. The applicant proposed that not less than 90% of all programming broadcast during the broadcast week would be in the Arabic language. All of the programming would be drawn from the following categories as set out in Schedule 1 to the *Specialty Services Regulations, 1990*: 1 News; 2(a) Analysis and interpretation; 2(b) Long-form documentary; 3 Reporting and actualities; 4 Religion; 5(b) Informal education/Recreation and leisure; 6(a) Professional sports; 6(b) Amateur sports; 7(a) Ongoing drama series; 7(b) Ongoing comedy series (sitcoms); 7(c) Specials, mini-series or made-for-TV feature films; 7(d) Theatrical feature films aired on TV; 7(e) Animated television programs and films; 7(f) Programs of comedy sketches, improvisations, unscripted works, stand-up comedy; 7(g) Other drama; 8(a) Music and dance other than music video programs or clips; 8(b) Music video clips; 8(c) Music video programs; 9 Variety; 10 Game shows; 11 General entertainment and human interest; 12 Interstitials; 13 Public service announcements; and 14 Infomercials, promotional and corporate videos.
3. The Commission did not receive any interventions in connection with this application.

¹ The Category 2 services are defined in *Introductory statement – Licensing of new digital pay and specialty services*, Public Notice CRTC 2000-171, 14 December 2000.

Commission's analysis and determination

4. The Commission is satisfied that the application is in conformity with all applicable terms and conditions announced in *Introductory statement – Licensing of new digital pay and specialty services – Corrected Appendix 2*, Public Notice CRTC 2000-171-1, 6 March 2001 (Public Notice 2000-171-1). Accordingly, the Commission **approves** the application by Ethnic Channels Group Limited for a broadcasting licence to operate the national, Arabic-language Category 2 specialty programming undertaking, Arabic TV 2.
5. The Commission notes that Ethnic Channels will devote at least 90% of its program schedule to programming in the Arabic language. In accordance with *Revised approach for the consideration of broadcasting licence applications proposing new third-language ethnic Category 2 pay and specialty services*, Broadcasting Public Notice CRTC 2005-104, 23 November 2005, the remainder of the program schedule, i.e., up to 10% may be in one or both official languages. The Commission encourages the applicant to ensure that all such programming serves to promote Canada's linguistic duality.
6. The licence will expire 31 August 2012, and will be subject to the **conditions** set out in Public Notice 2000-171-1, as well as to the **conditions** set out in the appendix to this decision.

Issuance of the licence

7. A licence will be issued once the applicant has satisfied the Commission, with supporting documentation, that the following requirements have been met:
 - the applicant has entered into a distribution agreement with at least one licensed distributor; and
 - the applicant has informed the Commission in writing that it is prepared to commence operations. The undertaking must be operational at the earliest possible date and in any event no later than 36 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 21 April 2009. In order to ensure that such a request is processed in a timely manner, it should be submitted at least 60 days before that date.
