*Application 2005-0928-4*  
*Public Hearing in the National Capital Region*  
*1 May 2006*

### **Joongang Broadcasting Channel (JBC-TV) – Category 2 specialty service**

*In this decision, the Commission **approves** an application for a broadcasting licence to operate a new Category 2 specialty programming undertaking.*

#### **The application**

1. The Commission received an application by S.K. Korean Publishing Co. Ltd. for a broadcasting licence to operate a national ethnic Category 2<sup>1</sup> specialty programming undertaking to be known as Joongang Broadcasting Channel (JBC-TV).
2. The applicant proposed to offer a third-language general interest service that would be devoted to the Korean-speaking community. The service would consist of news, information and entertainment programming. The applicant proposed that 90% of all programming broadcast during the broadcast week would be in the Korean language. All of the programming would be drawn from the following categories set out in Schedule 1 to the *Specialty Services Regulations, 1990*: 1 News; 2(a) Analysis and interpretation; 2(b) Long-form documentary; 3 Reporting and actualities; 4 Religion; 5(a) Formal education and pre-school; 5(b) Informal education/Recreation and leisure; 6(a) Professional sports; 6(b) Amateur sports; 7(a) Ongoing drama series; 7(b) Ongoing comedy series (sitcoms); 7(c) Specials, mini-series or made-for-TV feature films; 7(d) Theatrical feature films aired on TV; 7(e) Animated television programs and films; 7(f) Programs of comedy sketches, improvisations, unscripted works, stand-up comedy; 7(g) Other drama; 8(a) Music and dance other than music video programs or clips; 8(b) Music video clips; 8(c) Music video programs; 9 Variety; 10 Game shows; 11 General entertainment and human interest; 12 Interstitials; 13 Public service announcements; and 14 Infomercials, promotional and corporate videos.
3. Further, the applicant requested that it be authorized, by condition of licence, to broadcast up to six minutes per hour of local or regional advertising.

---

<sup>1</sup> The Category 2 services are defined in *Introductory statement – Licensing of new digital pay and specialty services*, Public Notice CRTC 2000-171, 14 December 2000.

4. The Commission did not receive any interventions in connection with this application.

### **Commission's analysis and determinations**

5. The Commission is satisfied that the application is in conformity with all applicable terms and conditions announced in *Introductory statement – Licensing of new digital pay and specialty services – Corrected Appendix 2*, Public Notice CRTC 2000-171-1, 6 March 2001 (Public Notice 2000-171-1). Furthermore, given that the service will offer more than 90% of its programming in a third language, the Commission is satisfied that it falls under the definition of a third-language service, established in *Revised approach for the consideration of broadcasting licence applications proposing new third-language ethnic Category 2 pay and specialty services*, Broadcasting Public Notice CRTC 2005-104, 23 November 2005 (Public Notice 2005-104). Accordingly, the Commission **approves** the application by S.K. Korean Publishing Co. Ltd. for a broadcasting licence to operate the national third-language ethnic Category 2 specialty programming undertaking, Joongang Broadcasting Channel (JBC-TV).
6. With respect to the request to broadcast up to six minutes per hour of local or regional advertising, the Commission notes that, as set out in Public Notice 2005-104, the Commission generally permits new third-language services to broadcast up to six minutes per hour of local advertising, unless an intervener makes a compelling case to the contrary.
7. The Commission therefore **approves** the applicant's request for authority to broadcast up to six minutes per hour of local and regional advertising. A **condition of licence** to that effect is set out in the appendix to this decision.
8. The Commission notes that JBC-TV will devote at least 90% of its program schedule to programming in the Korean language. In accordance with Public Notice 2005-104, the remainder of the program schedule, i.e., up to 10%, may be in one or both official languages. The Commission encourages the applicant to ensure that all such programming serves to promote Canada's linguistic duality.
9. The licence will expire 31 August 2013, and will be subject to the **conditions** set out in Public Notice 2000-171-1, as well as to the **conditions** set out in the appendix to this decision.

### **Issuance of the licence**

10. A licence will be issued once the applicant has satisfied the Commission, with supporting documentation, that the following requirements have been met:
  - the applicant has entered into a distribution agreement with at least one licensed distributor; and

- the applicant has informed the Commission in writing that it is prepared to commence operations. The undertaking must be operational at the earliest possible date and in any event no later than 36 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 14 September 2009. In order to ensure that such a request is processed in a timely manner, it should be submitted at least 60 days before that date.
