

## Broadcasting Decision CRTC 2005-236

Ottawa, 3 June 2005

**Aylesford Community Baptist Church**  
Aylesford, Nova Scotia

*Application 2005-0407-8*

### **VF8023 Aylesford – Technical change**

1. The Commission **approves** the application by Aylesford Community Baptist Church to change the authorized contours of the radio programming undertaking VF8023 Aylesford, by increasing the effective radiated power from 5 watts to 50 watts.
2. The licensee indicated that the undertaking is located in a rural area and that the increase in power would allow it to provide a valuable service to the surrounding communities of Kingston and Berwick.
3. The Commission reminds the licensee that, pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met, and that a broadcasting certificate will be issued.

Secretary General
