

Broadcasting Public Notice CRTC 2006-46

Ottawa, 7 April 2006

Revised lists of eligible satellite services

1. In *Addition of ITVN to the lists of eligible satellite services for distribution on a digital basis*, Broadcasting Public Notice CRTC 2006-44 (Public Notice 2006-44) and *Addition of Sun TV to the lists of eligible satellite services for distribution on a digital basis* Broadcasting Public Notice CRTC 2006-45 (Public Notice 2006-45), both issued today, the Commission has approved the addition of the non-Canadian third-language services ITVN and Sun TV to the lists of eligible satellite services for distribution on a digital basis.
2. Accordingly, in this notice, the Commission sets out revised lists of eligible satellite services reflecting the determinations in Public Notices 2006-44 and 2006-45. These lists replace those set out in *Revised lists of eligible satellite services: Addition of GEO TV for distribution on a digital basis*, Broadcasting Public Notice CRTC 2006-26, 1 March 2006, and reflect the addition of ITVN and Sun TV to the lists of eligible satellite services for distribution on a digital basis.

** A pay audio programming undertaking may not be used for linkage purposes for the distribution of any non-Canadian eligible satellite services.

*** Playboy TV is only authorized for distribution at the specific request of a subscriber. Distributors are not permitted to package Playboy TV in such a way that subscribers are obligated to purchase Playboy TV in order to purchase any other programming service. Distributors are required to take measures to fully block the reception of both the audio and video portions of Playboy TV to subscribers that request it not be receivable in their home (in either unscrambled or scrambled analog form).

Authorization for the services in Sections A and B is subject to the following:

- In the case of signals received from a licensed SRDU, ASN, the CBC English- and French-language Television Services and foreign satellite services, licensees are required to enter into the necessary contractual arrangements for such carriage.

- Licensees that distribute a PBS signal received at the local head end by terrestrial transmission may distribute one PBS service received from a licensed SRDU. All other licensees may distribute a maximum of two PBS services received from a licensed SRDU. Licensees may not distribute the signal of more than one affiliate of the same commercial U.S. network, received from a licensed SRDU, unless otherwise authorized pursuant to a condition of licence.

Authorization for the services in *List of Part 3 Eligible Satellite Services* is subject to the following:

- In the case of out-of-province educational services, there should be no objection on the part of the originating service.

- In the case of signals received from a licensed SRDU, ASN, the CBC English- and French-language Television Services and foreign satellite services, licensees are required to enter into the necessary contractual arrangements for such carriage.

- In the case of licensed television programming undertakings offering TVA or CTV programming, a licensee also distributing the signal of a local TVA or CTV affiliate shall delete the duplicate programming from the services received from a licensed SRDU or substitute the local service(s) when the programming is identical.

- Licensees that distribute a PBS signal received at the local head end by terrestrial transmission may distribute one PBS service received from a licensed SRDU. All other licensees may distribute a maximum of two PBS services received from a licensed SRDU. Licensees may not distribute the signal of more than one affiliate of the same commercial U.S. network, received from a licensed SRDU, unless otherwise authorized pursuant to a condition of licence.
