Ottawa, 9 December 2005

Crossroads Television System Hamilton, Ontario

Application 2005-1241-9

Deadline to commence operations

1. The Commission **approves** the application by Crossroads Television System for an extension of the time limit to commence the operation of the transitional digital television undertaking CITS-DT Hamilton, authorized in *CITS-TV Hamilton – transitional digital television licence*, Broadcasting Decision CRTC 2004-63, 30 January 2004.
2. For administrative purposes, the Commission considers it appropriate to grant an extension of 12 months rather than the 18 months requested by the licensee.
3. The licence for this undertaking will be issued once the applicant has informed the Commission in writing that it is prepared to commence operations. The undertaking must be operational at the earliest possible date and in any event no later than 30 January 2007, unless a request for an extension is approved by the Commission before that date. In order to ensure that such a request is processed in a timely manner, it should be submitted at least 60 days before that date.
