

Broadcasting Decision CRTC 2005-545

Ottawa, 21 November 2005

Canadian Broadcasting Corporation

Charlottetown and Urbainville, Prince Edward Island

Application 2005-0750-2

Broadcasting Public Notice CRTC 2005-92

23 September 2005

CBAF-FM-15 Charlottetown – New transmitter at Urbainville

1. The Commission **approves** the application by the Canadian Broadcasting Corporation (CBC) to amend the broadcasting licence for the radio programming undertaking CBAF-FM-15 Charlottetown in order to operate a transmitter at Urbainville to rebroadcast the programming of its national French-language network service La Première Chaîne.
2. The new transmitter will operate at 106.9 MHz (channel 295A1) with an effective radiated power of 173 watts.
3. The Commission did not receive any interventions in connection with this application.
4. The Commission reminds the licensee that, pursuant to section 22(1) of the *Broadcasting Act*, this authority will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met, and that a broadcasting certificate will be issued.
5. The transmitter must be operational at the earliest possible date and in any event no later than 24 months from the date of this decision, unless a request for an extension of time is approved by the Commission before 21 November 2007. In order to ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.
