Dear Ms. Rhéaume:

Subject: Filing of Revised Agreement to Collect Provincial Fees in Prince Edward Island for E9-1-1 Service

1. In accordance with Section 29 of the Telecommunications Act, Aliant Telecom Inc. ("Aliant" or "the Company") files for the Commission's approval a revised agreement to collect provincial fees in Prince Edward Island for E9-1-1 service (the "Revised Agreement").
2. On 2004 12 30, Aliant filed Tariff Notice 149 ("TN 149"), which included a proposed tariff page and agreement with the Province of Prince Edward Island. In Telecom Order CRTC 2005-51, dated 2005 02 11, the Commission approved TN 149.
3. Since the Commission's approval of TN 149, further discussions between the Province of Prince Edward Island and the industry resulted in a number of changes to the agreement filed in TN 149. The proposed changes are illustrated in the Revised Agreement, which is attached.

4. The Company requests Commission approval of the Revised Agreement by November 4th, which is 10 business days from today's date, and is consistent with the Commission's new streamlined approach to regulation. The Company further notes that there are no changes in the tariff filed in TN 149.

Sincerely,

- 3.2 Notwithstanding any decision by the TSP to bill only a portion of the E9-1-1 Service Cost Recovery Fee to its Local Subscribers or any subset thereof, or not to bill any part of the E9-1-1 Service Cost Recovery Fee to those Local Subscribers or any subset thereof, the TSP shall be deemed to have billed the full amount to its Local Subscribers every month, and the TSP shall owe and be responsible for remitting to the Province the amounts described in Section 4.1 hereof in the manner and according to the timing described therein.
- 3.3 With respect to wireless prepaid Local Subscribers and the TSP's obligation to remit, at the time of collection, if the TSP is unable to collect the full amount of the E9-1-1 Service Cost Recovery Fee due to insufficient funds in the Local Subscriber's prepaid service account, then there shall be no further collection efforts required on the part of the TSP.
- 3.4 Notwithstanding any decision by the TSP to bill only a portion of the E9-1-1 Service Cost Recovery Fee to its Local Subscribers or any subset thereof, or not to bill any part of the E9-1-1 Service Cost Recovery Fee to those Local Subscribers or any subset thereof, the TSP shall, at least once a year, inform its Local Subscribers of the full magnitude of the E9-1-1 Service Cost Recovery Fee, that it is required to be paid by the Local Subscriber, and that the E9-1-1 Service Cost Recovery Fee has been remitted to the Province on the Local Subscriber's behalf.
- 3.5 Subject to subsection 3.3, the TSP will make commercially reasonable efforts to collect the E9-1-1 Service Cost Recovery Fee, which shall include credit

procedures for recovery of its own accounts receivable, provided that the TSP shall not be obligated to terminate service to a Local Subscriber for non-payment of the E9-1-1 Service Cost Recovery Fee.

- 3.6 If the TSP commits any errors in the establishment of the monthly bill, its responsibility is limited to bringing the necessary correction to the next bill or summary following the discovery of the error, and remitting amounts due to the Province as identified in Section 4.1.
- 3.7 The Province will pay to the TSP for each Exchange Service for which the E9-1-1 Service Cost Recovery Fee is billed, a Billing and Collection Fee in the amount set out in Section 15.1.2.

4. Remittance

4.1 The TSP shall either:

- 4.1.1. remit to the Province, within 45 days after the end of each month or quarter, the amount of the E9-1-1 Service Cost Recovery Fee collected and received by the TSP in that month or quarter, less the amount of the Billing and Collection Fee in accordance with Section 15.1.2; or
- 4.1.2 remit to the Province, within 45 days after the end of the month or quarter, an amount equal to the number of Exchange Services billed by the TSP to its Local Subscribers in that month or quarter multiplied by the amount of the E9-1-1 Service Cost Recovery Fee specified in Section 15.1.1 (prorated for partial billings), less:
 - a) an allowance for bad debt equal to the TSP's average rate of bad debt for Exchange Services in mutually agreed upon previous calendar period; and

 - d) the period commencing on October 1st and ending on December 31st.
- 4.2 The Province may assign its rights to the amounts described in Section 4.1, provided that the Province gives at least sixty (60) days written notice to the TSP.

Upon the expiration of the notice period, the TSP will remit the amounts indicated in Section 4.1 to the third party until otherwise indicated in writing by the Province.

- 4.3 If a Local Subscriber is billed or deemed to be billed the E9-1-1 Service Cost Recovery Fee by the TSP, and refuses to pay such fee as required by the regulations, the TSP shall provide to the Province reasonable information, subject to CRTC rules and regulations and all applicable Federal legislation as amended from time to time, as to such Local Subscribers from whom it has been unable to collect the E9-1-1 Service Cost Recovery Fee. For greater certainty, this information shall be limited to the Local Subscriber's name, billing address and month(s) of non-payment.
- 4.4 Section 4.3 shall apply to wireless prepaid Local Subscribers however, the fact that there is an insufficient balance in the Local Subscribers account to deduct the E9-1-1 Service Cost Recovery Fee shall not, in and of itself, constitute refusal on the part of the Local Subscriber to pay the fee.

5. TSP Rights and Obligations

- 5.1 The TSP has the right to do all acts necessary to protect and maintain the value of the TSP's interests relative to the E9-1-1 Service Cost Recovery Fee identified in this Agreement.
- 5.2 For the purposes of establishing the appropriate amount of the E9-1-1 Service Cost Recovery Fee, the TSP shall provide a confidential report to the Province, or its assignee in accordance with section 4.2, that indicates the number of Exchange Services provided by the TSP as of a date, and in accordance with, a methodology to be agreed between the Province and the TSP from time to time.

The TSP shall bill such taxes at such rates to the Local Subscriber and shall remit such taxes to the appropriate authorities. The Province shall indemnify and save the TSP harmless from any claims arising in connection with the remittance of such taxes.

8. Reporting

- 8.1 At the same time that the TSP remits the amount required under Section 4.1, the TSP will provide to the Province, or its assignee in accordance with section 4.2, a report indicating the amount billed and the amount collected in the month with respect to the E9-1-1 Service Cost Recovery Fee, including the Billing and Collection Fee. Taxes, levies or duties or similar charges, if applicable, will be itemized separately.
- 8.2 The reports will be conclusively deemed accurate, unless the Province advises the TSP of any errors within ninety (90) days of the end of the provincial fiscal year in which the reports were provided. The Province may have these reports verified by auditors of its choice at the Province's expense. The Province acknowledges that the information upon which the reports are based will change, and such information might not be retained by the TSP beyond a reasonable period. Upon ten (10) days written notice and during the TSP's regular business hours, the Province's auditors or assignee shall have the right to inspect the TSP's books for the purposes of conducting the audit authorized herein.
- 8.3 If the Parties or an assign identify an error, the Parties agree to establish the amount and render compensation if due. good faith in the order listed. With respect to procedures and rules, unless otherwise agreed to and confirmed in writing, the procedures and rules of the Canadian Foundation for Dispute Resolution will be followed where the same are not inconsistent with the *PEI Arbitration Act, R.S.P.E.I. 1988, Cap. 10. Term and Renewal

- 10.1 This Agreement will be effective as of the date shown at the beginning of this document and will run for an initial term of one (1) year.

- 10.3 If either Party breaches a material provision of this Agreement, the Party not in breach may give to the other party written notice specifying the breach and, if the breach is not remedied within a period of twenty (20) business days, or, in the case of a breach which cannot reasonably be remedied within such period, the Party in breach has not adopted a reasonable program for remedying the breach, or does not diligently pursue such program, such other Party may, by a further written notice, terminate this Agreement without penalty to said Party.
- 10.4 In the event that either Party terminates this Agreement pursuant to the preceding paragraph, the TSP shall be compensated on a *quantum meruit* basis for any work performed or in process under this Agreement.
- 10.5 It is recognized that the capacity of ILEC and any other TSP to perform under this Agreement is subject to such orders and directions as may be made by the CRTC from time to time in the exercise of its telecommunications regulatory jurisdiction over the ILEC and other TSPs.
- 10.6 This Agreement will be automatically renewed under the same terms as the original Agreement, unless otherwise agreed to in writing by both Parties.

11. Force Majeure

- 11.1 Neither the TSP nor the Province will be held responsible for any damages or delays as a result of war, invasion, insurrection, demonstrations, fire, floods, strikes, or as a result of decisions by civilian or military authorities, decisions of regulatory authorities, or generally, as a result of any event that is beyond the Province's or the TSP's reasonable control.

12. Waiver

12.1 The failure of either Party to require the performance of any obligation hereunder, or the waiver of any obligation in a specific instance, will not be interpreted as a general waiver of any of the obligations, hereunder, which will continue to remain in full force and effect.

13. Indemnification

13.1 The Province shall indemnify and save harmless the TSP from and against any and all losses, claims, demands, actions, costs and damages including reasonable legal fees and disbursements (hereinafter collectively referred to as "Claims") arising directly or indirectly from any act or omission of the Province, or the reasonable acts or omissions of the TSP as the Province's billing and collection agent in connection with the provision of services or facilities to be provided on behalf of the Province pursuant to this Agreement, and undertakes to defend any legal action arising from such Claim at its own cost. and collection and should the CRTC approve a new tariff rate in excess of 7 cents per Exchange Service per month, that same new approved rate will also be paid to all other TSPs which bill and collect for the Province.

- 15.2 Prior to revising the amount of the E9-1-1 Service Cost Recovery Fee, the Province will conduct a review to ensure that the revision is fair and reasonable, and reflective of actual costs of maintenance, operation and upgrading of the 9-1-1 Service. In connection with the review, the Province will provide the TSP with information on the cost of the 9-1-1 Service, at least 90 days prior to any change in the E9-1-1 Service Cost Recovery Fee.
