Re: Section 29 MALI between Microcell Solutions Inc. and Bell Canada -
Addendum and Amendment

Dear Ms. Rhéaume:

1. Attached for the Commission's approval pursuant to Section 29 of the *Telecommunications Act* are new Appendices 8, 9, 10, 11 and 12 to the existing Schedule C of the Master Agreement for Local Interconnection ("MALI") between Microcell Solutions Inc. ("Microcell", formerly Microcell Connexions Inc.) and Bell Canada ("Bell"). Also attached for the Commission's approval is a revised page 6 of Schedule C of the MALI.
2. As the Commission is aware, the former Microcell Connexions Inc. was amalgamated with Microcell Solutions Inc. on May 1, 2003, and the combined entity is now continuing operations under the name of Microcell Solutions Inc. Both Microcell and Bell accept the original MALI signed by Microcell Connexions Inc. as remaining valid.
3. The proposed effective date for these five new appendices and revised page 6 is June 9, 2003. Pursuant to Section 47(3) of the Telecommunications Rules of Procedure, Microcell is respectfully requesting interim approval of these items as soon as possible.
4. Consistent with the treatment accorded to the original Schedule C of the MALI between Microcell and Bell, we also request that these five new appendices and revised page 6 be treated **in confidence** by the Commission.
