Dear Madam:

**Re: CRTC Telecom Public Notice 2006-5
Review of Pricecap Framework**

This letter is to confirm with the Commission and to notify all parties and interested parties to this proceeding that in addition to representing the Consumers Association of Canada (Manitoba Branch) and the Manitoba Society of Seniors ("CAC/MSOS"), the Public Interest Law Centre will also be representing Manitoba Keewatinook Ininew Okimowin ("MKIO") at the hearing of this proceeding.

MKIO is an organization that represents the interests of over 50,000 members of 30 First Nations in northern Manitoba. MKIO has participated in proceedings before the Commission in the past and has a particular interest in this hearing. Given the remote location of many of the First Nations it represents, MKIO brings its unique and important perspective to this proceeding that will be of benefit to the Commission.

Thank you for your consideration.

Yours truly,
