Dear Ms. Rhéaume:

**Re: Telecom Public Notice CRTC 2006-4: Proceeding to establish a  
national do not call list framework and to review the telemarketing rules**

Further to the letters you have received from the Public Interest Advocacy Centre, the Public Interest Law Centre and Rogers Communications Inc., the Canadian Bankers Association hereby registers its interest in participating in the consultations and in supporting the other parties' requests for an extension for interested parties to file comments in the above-noted proceeding from March 20, 2006 to April 3, 2006.

The scope of the proceeding, including not only the establishment of the list operator but also the review of existing telemarketing rules, coupled with prime spring vacation time, necessitates an additional two weeks time for interested parties to provide comments. Your positive consideration of these requests would be appreciated.

Yours truly,
