How to Search

There are three ways to search images.MD.
- Browse the directory of collections
- Quick Search
- Advanced Search

Browse a Collection:

1. From the drop down menu located in the middle of the screen, select the area you wish to browse. (eg. Breast Cancer)

> **Browse by collection**
>
> The collections to which you've currently subscribed are available for you to view anytime. To jump to a specific collection, choose a title from the pull-down menu below.
>
> [Breast Cancer ▾]

2. Next select one of the more specific categories presented (eg. pathology)

> **Breast Cancer (178 images)**
> *Joseph Crowe*
>
> ▶ Screening and Diagnosis
> ▶ Pathology
> ▶ Staging and Prognosis
> ▶ Epidemiology, Etiology, and Prevention of Breast Cancer
> ▶ Molecular Biology of Breast Cancer
> ▶ Treatment and Follow-up

3. Click the desired category and you will see the images available in that category. Images are displayed 12 slides per page.
4. To enlarge a slide, click on the slide or click the 🔍 located below each slide.
