

## Designated Trainer Work Experience Application *Trade of Lather (Interior Systems Mechanic)*

**NOTE: Effective April 1, 2003**, all NEW applicants wanting trades training as apprentices must work under the supervision of a certified journeyman unless a specific Trade Regulation provides accommodation for an alternate arrangement.

The **Trade Regulation for Lather (Interior Systems Mechanic)** allows a provision to use a designated trainer (an experienced tradesperson without journeyman certification) to supervise the work of and train an apprentice. A journeyman with a Certificate of Qualification as a Drywall Mechanic can also supervise and train an apprentice.

To qualify as a designated trainer in this trade, you must have:

- experience in 70 per cent of the tasks of the trade
- at least six years of work experience in the trade within the last ten years

*Please provide the following information so we can assess the training and supervision you will be giving your apprentice:*
