

## Designated Trainer Work Experience Application *Trade of Painter & Decorator*

**NOTE: Effective April 1, 2003**, all NEW applicants wanting trades training as apprentices must work under the supervision of a certified journey person unless a specific Trade Regulation provides accommodation for an alternate arrangement.

The **Trade Regulation for Painter & Decorator** allows a provision to use a designated trainer (an experienced tradesperson without journey person certification) to supervise the work of and train an apprentice in First Nations and Métis communities, as defined under *The Northern Affairs Act* and on reserves as defined under *The Indian Act*. Because of insufficient numbers of certified tradespeople in these areas, apprentices may work under a designated trainer's supervision until **March 1, 2009**. At that time there should be sufficient numbers of certified journey persons available to supervise and train apprentices entering the trade.

To qualify as a designated trainer in this trade, you must have:

- experience in 70 per cent of the scope of the trade
- at least five years of work experience in the trade within the last ten years

Please provide the following information so we can assess the training and supervision you will be giving your apprentice:
