

## **NOTICE TO FUEL AND TOBACCO WHOLESALE AND RETAIL DEALERS**

### **NEW RETAIL/WHOLESALE DEALERS' LICENCE**

Enclosed is your new retail/wholesale dealers' licence. Please note the following changes:

- The licence is now on letter sized paper, similar to other licences and permits issued by Taxation Division.
- A new licence numbering system has been introduced. The licence number will now have five numeric characters. This new licence number must be quoted to your supplier when acquiring gasoline, motive fuel and tobacco products.
- The licence is renewable every three years, rather than annually.

Please display the licence at the business location noted on it in a place visible to the public. If your business operates at more than one location, a separate licence is required at each location. If your business ceases to operate, the licence must be returned to the Taxation Division. The licence is not transferable.

Please complete the attached questionnaire to ensure that our records currently reflect your business operations. Please answer all the questions and return it in the envelope provided.
