Applicant's Guide for Disaster Financial Assistance

Disaster Financial Assistance Program:

When a widespread disaster strikes and creates an unreasonable financial burden, disaster financial assistance (DFA) may be made available for eligible costs. DFA is intended to restore eligible property to a habitable and functional state.

For additional information regarding DFA, please refer to the **DISASTER FINANCIAL ASSISTANCE** *Fact Sheet*. The Fact Sheet is available by contacting your Municipal Office or Emergency Measures Organization (EMO).

Instructions:

- 1. Please fill out all appropriate sections on this application. Print clearly.
- Applications for property damage to private residences must be completed by the owner. Applications for the damage for personal possessions belonging to tenant occupants must be completed by the tenant occupant.
- Completed applications with supporting documentation attached should be returned to your Municipal Office for forwarding to EMO.
- 4. If you have questions, please contact your Municipal Office or EMO.
- 5. Please use the checklist below to confirm your information is complete before returning your application to your Municipal Office.
