

Neighbourhood Highlights

North End Neighbourhoods (Lord Selkirk Park, Point Douglas, William Whyte)

- ❖ 93 Neighbourhoods Alive! (NA!) projects totaling \$3,169,754 have been approved.
- ❖ \$2,213,932 has been committed to repair, rehabilitate or construct 565 housing units.
- ❖ NA! has invested \$520,562 in North End youth recreation programming and facilities, as well as an additional \$872,476 in other inner city recreation projects that include the North End.
- ❖ NA! has helped fund the School Resource Officer project in 15 North End schools, which has improved student-police relations and reduced vandalism and bullying.

Spence Neighbourhood

- ❖ 58 NA! projects totaling \$1,278,441 have been approved.
- ❖ \$1,830,527 has been committed to repair, rehabilitate or construct 341 housing units.
- ❖ NA! has invested \$138,548 in projects to enhance neighbourhood safety, including safety coordination, 'target hardening', and complementary Crime Prevention through Environmental Design (CPTED) projects.
- ❖ NA! has supported several neighbourhood arts and cultural events/programs such as Art from the Heart, Ellice Street Festival and the Community Kids Arts Program that provide opportunities for recreation and leisure.

West Broadway Neighbourhood

- ❖ 54 NA! projects totaling \$1,310,615 have been approved.
- ❖ \$1,323,843 has been committed to repair, rehabilitate or construct 233 housing units.
- ❖ NA! has invested \$196,355 in neighbourhood greening initiatives, such as community gardens, parks and neighbourhood clean-ups.
- ❖ The NA!-supported development of Spirit Park marks the first *new* winner city park in many years.

Brandon Centre

- ❖ 52 NA! projects totaling \$1,323,360 have been approved.
- ❖ \$2,735,342 has been committed to rehabilitate or construct 295 housing units.
- ❖ NA! has invested \$432,940 in park, playground and green space projects that have greatly enhanced the quality of life in Brandon's core area.
- ❖ The NA!-funded *Front and Paint Program* has provided grants to over 100 property owners for exterior improvements to their homes, resulting in significant homeowner investment and increased community pride.

Thompson (city-wide)

- ❖ 34 projects totaling \$841,849 have been approved.
- ❖ \$1,274,990 has been committed to rehabilitate or construct 153 housing units.
- ❖ NA! has invested \$105,274 in park, playground and green space enhancements to neighbourhoods in need.
- ❖ The Youth Builders project, which trains up to 20 at-risk youth annually in construction, has received \$266,840 over 3 years from the NA! Training Initiatives program.
