

Memorandum D15-2-10
Locator Code: 961A

Ottawa, July 16, 1997

SUBJECT

FRESH GARLIC

This Memorandum refers to the application of anti-dumping duty to importations of fresh garlic, pursuant to section 3 of the *Special Import Measures Act*, as a result of a finding of injury by the Canadian International Trade Tribunal.

1. A description of the goods and the dates of the proceedings and finding follow:
Fresh garlic, originating in or exported from the People's Republic of China.

Action	Date
Initiation of Investigation	August 23, 1996
Preliminary Determination	November 21, 1996
Final Determination	February 19, 1997
Tribunal Finding	March 21, 1997

2. These goods are properly classified in the Harmonized System under the following subheading number:

0703.20.00.00

3. This liability for duty results from proceedings conducted under the *Special Import Measures Act* and from the finding by the Canadian International Trade Tribunal.

4. Information regarding the normal value of the goods in question may be obtained from Anti-dumping and Countervailing Directorate, Revenue Canada, Ottawa, Ontario.
