**Re-advertisement  
Manager, Transportation Programs  
Department of Economic Development and Transportation  
Rankin Inlet, Nunavut**

This exciting career is for individuals that are interested in working as part of the Regional Management team for the Economic Development and Transportation division in the Kivalliq Region. Reporting to the Director, Community Operations, the Manager, Transportation Programs has the responsibility to manage the delivery of community land, air and marine transportation programs throughout the region. Accompanying this function, some of the responsibilities for this position are;

- Participating in establishing and maintaining a statutory and regulatory compliance monitoring structure for land, air and marine transportation programs;
- Promulgating overall strategic direction for the region including planning & development of programs to promote community capacity in managing transportation services;
- Delivering transportation safety education programs to promote voluntary compliance;
- Delivery of the Nunavut Airports operations and maintenance programs and delivery of the Community Aerodrome Radio Station (CARS) aviation program;
- Delivery of the Motor Vehicles registration & licensing system for vehicles and operators;
- Developing and supervising construction and maintenance initiatives for seasonal roads and existing trail systems to promote inter-community travel;

The ideal candidate will have a post-secondary degree, preferably in a field related to airport planning, operations and management. A working knowledge of land, air and marine facility certification and procedures would be required, as well as having an aptitude in the administration of facilities and equipment operations related to managing and directing in the key Transportation services sectors. Other key competencies are strong interpersonal and communication skills, demonstrated problem solving/analytical ability & good organizational skills. You must have good computer skills and have a good working knowledge in Human and Financial resource management. Knowledge of communities, culture, land and Inuit Qaujimajatuqangit is an asset.

Equivalencies that consist of a combination of education, knowledge, skills and abilities to formal education and experience requirements will be considered

**The successful candidate must provide a satisfactory Criminal Records Check through the RCMP.**

This position is included in the Nunavut Employee's Union and has a starting salary of \$79,307.00 per annum with a Northern Allowance of \$15,234.00 per annum.
