SAUZA TRES GENERACIONES AÑEJO 750ml

This Añejo (aged) tequila is considered the crowning achievement of the Sauza family distillery. Its delicate, natural, amber hue comes from more than three years aging in once-used bourbon barrels. The richness of 100% estate-grown blue agave is imparted with the subtle flavors of the hand-charred oak over its long resting period, giving it a smoky, smooth finish like no other. Caramel-vanilla sweetness with white pepper spice and subtle oak tones. A full and balanced blend that starts with a brown sugar sweetness, and fades to soft oak and clean agave. A lingering warmth that finished very clean with white pepper and oak dryness.

JAGERMEISTER (NEW SIZE) 375ml

'Jagermeister', meaning hunt master, is a German bitter liqueur that dates back to the seventh century. It is made of a complex blend of 56 herbs, fruits and spices. This popular liqueur got its name from Hubertus, the drink's founder. According to his legend, after losing his wife, Hubertus would go off into the woods alone to hunt. While hunting, he saw a magnificent stag with a floating cross between its antlers; this vision sparked Hubertus to change his life and give away all of his material possessions. He then founded several monasteries and soon became the Patron Saint of Hunters.

YUKON GOLD 15x355 ml

Top-rated Canadian Golden Ale. It is golden in colour, brilliantly clear, and clean across the palate. The mix of 4 malts still provides subtle character in the body, and the addition of malted wheat provides a slight, but characteristic citrusy finish. Hopped with noble Saaz and Golding, the bitter is barely perceptible, but mild hop flavors linger in the after-taste; the dry, clean finish provides a refreshing perk at the back of the palate. The full package mimics the classic milds of the British Isles, with a bit of Yukon spirit, just to make sure you remember what part of the world you're in!
