Ms. Deana Lemke, Executive Secretary
Yukon Utilities Board
19 - 1114 First Avenue
Whitehorse, YT Y1A 1A3

Dear Ms. Lemke:

Further to your memorandum dated October 2, 2006, Yukon Energy Corporation has no concerns of any potential appearance of bias that may arise from the fact that two members of the Yukon Utilities Board own lakefront property on Tagish Lake.

Yours truly,

David Morrison, President & CEO
