

YUKON UTILITIES BOARD		
EXHIBIT D4-1		
DAY	ENTERED BY	DATE
	EmR-Mather	July 20/06

**From:** Val.Mather [mailto:Val.Mather@gov.yk.ca]  
**Sent:** July 20, 2006 2:09 PM  
**To:** Deana Lemke  
**Subject:** Interventions

Per the Notice of Application, I hereby formally request to register my interest in receiving documentation and in attending the Public Workshops, Pre-Hearing conference and Hearing

I work for the Department of Energy, Mines and Resources for the Government of Yukon and am currently on special projects reporting to the Deputy Minister, one of which being the Rate Stabilization Fund. As such, I'm interested in the long term capital needs of the Corporation and how this will affect the financing of the RSF.
