

Turkey Quota Order, amendment*

Regulation 196/2004
Registered October 29, 2004

Manitoba Regulation 258/87 amended

1 The Turkey Quota Order, Manitoba Regulation 258/87, is amended by this order.

2 Section 1 is amended by adding the definition in alphabetical order:

"**On-Farm Food Safety Assurance Program**" means the program approved by the Board and designated with that name, as same may be amended or varied from time to time, whether published by the Board or published by the Canadian Food Inspection Agency or other party;

3 Clause 16(4)(e) is repealed and replaced with the following:

(e) where the Board has determined that the producer has failed to comply with the On-Farm Food Safety Assurance Program; or

(f) if the Board has reasonable grounds for believing that such action is in the interests of Manitoba producers, consumers, or the turkey industry.

4 Section 49 is amended by renumbering it as subsection 49(1) and adding the following:

49(2) It is the condition of an allotment of a quota to a registered producer that such registered producer

(a) equip and operate the facility in or on which such producer raises or keeps turkeys in such a manner as to provide adequate production floor space, proper ventilation, heating, feed and water, and sanitation for the turkeys kept in such facility and in accordance with the applicable provisions of the On-Farm Food Safety Assurance Program;

* This order is made under the *Manitoba Turkey Producers Marketing Plan Regulation*, Manitoba Regulation 38/2004 and is Order No. 1, 2004 of Manitoba Turkey Producers.

(b) otherwise care for and handle turkeys raised or kept by such producer in accordance with the applicable provisions of the "Recommended Code of Practice for the Care and Handling of Farm Animals - Chickens, Turkeys and Breeders from Hatchery to Processing Plant" distributed by Canada Agri-Food Research Council and in accordance with the applicable provisions of the On-Farm Food Safety Assurance Program; and

(c) allow representatives of the Board to enter such facility, inspect such facility and take samples from such facility as well as observe and monitor production and marketing activities within such facility.

49(3) The Board may certify the capacity of the facilities of each registered producer from time to time. Such certified capacity shall only include usable production floor space (excluding service rooms).

5 Section 53 is repealed and replaced with the following:

Examination of facilities

53 It is the condition of the allotment of a quota to a registered producer that such registered producer allow any duly authorized representative of the Board to examine and measure the interior and exterior dimensions of such facility from time to time for the purpose of certification or re-certification of such facility by the Board and to examine such facility to ensure compliance of same with the provisions with subsection 49(2). Prior to such examination, the Board will give reasonable notice to such registered producer of its intention to conduct such examination.

Coming into force

6 This Order comes into force on December 31, 2004 or on the date it is registered with the Registrar of Regulations, whichever is later.
