

The Manitoba Agro Woodlot Program Presents

Milling & Kiln Drying Weekend

November 16th to 18th - Days Inn, Portage La Prairie

Hurry - Registration ends Nov. 13th!

Hosted by Dr. Gene Wengert,
Professor Emeritus at the
University of Wisconsin-
Madison, and technical
advisor for WOODWEB.com

Thursday, November 16th Milling and Grading

Learn to maximize high-grade lumber from every log you mill! This workshop combines milling for grade theory with a practical demonstration, and an introduction to hardwood lumber grading.

Friday, November 17th Hardwood Lumber Drying

Learn how to handle and air dry lumber like a pro! This workshop focuses on how to control hardwood lumber quality through careful handling, stacking, stickering, and covering.

Saturday, November 18th Hardwood Kiln Drying

If you own or are thinking about building a kiln, then this workshop is for you! Learn how to maintain lumber quality and maximize profits by kiln drying. The workshop includes presentations on types of kilns, as well as design requirements to ensure uniform drying. Other topics include lumber handling, drying schedules, and operating procedures.

To register for one or more days,
call Carol Graham at (204) 741-0490

Registration Fees: One Day - \$40.00
Two Days - \$70.00
All Days - \$100.00 Registration Fees include course materials and lunch.

The Manitoba Agro Woodlot Program is funded through the Agriculture Policy Framework, a federal-provincial initiative.
