JULY 2004

WORKPLACE SAFETY AND HEALTH DIVISION MANITOBA LABOUR AND IMMIGRATION

Address:
200-401 York Avenue
Winnipeg MB
R3C 0P8

Tel: 945-3446
Fax: 945-4556
Toll Free:
1-800-282-8069, ext. 3446

PUBLICATIONS ARE AVAILABLE

FREE:

On Division's Web site:

<http://www.gov.mb.ca/labour/safety/>

OR

On CD-ROM:

NOTE:

- **There is no copyright on any of the publications in this catalogue, except " How to Make Your Computer Work Station Fit You" booklet.**
- **Do not remove any references to the original sources of specific information in any of the publications.**

LEGISLATION

<i>TITLE</i>	<i>DOCUMENT NUMBER</i>
Workplace Safety and Health Act	W210 (10/02)
Construction Industry	MR 189/85
Derrick, Crane and Other Hoisting Equipment	MR 99/88R
Fibrosis and Silicosis	MR 100/88R
First Aid.....	MR 140/98
Forestry, Logging and Log Hauling	MR 102/88R
Hearing Conservation And Noise Control.....	MR 227/94
Operation Of Mines.....	MR 228/94
Sanitary and Hygienic Welfare.....	MR 104/88R
Workers Working Alone	MR 105/88R
Workplace Safety and Health Committees	MR 106/88R
Workplace Safety	MR 108/88R
(NOTE: Amendment 162/98 – Powered Fork Lift Trucks – Effective Jan. 1999)	
Workplace Health Hazard	MR 53/88
Workplace Hazardous Materials Information System.....	MR 52/88

Printed copies of the above legislation can be purchased from:

Statutory Publications Branch

Phone: 945-3101

Toll Free: 1 (800) 321-1203

Fax: 945-7172

Address: 200 Vaughan Street, Basement of Manitoba Archives Building, Winnipeg, R3C 1T5

CODES OF PRACTICE:

- for Fire Fighters Concerning I. Protective Clothing II. Respiratory Protection
- for Workplace Safety & Health Committees
- for Workers Working Alone
- for the Safe Operation of Powered Lift Trucks

INDEX OF WORKSAFE BULLETINS BY TOPIC

When Requesting Bulletins: Please identify each bulletin by EITHER its number, OR its title.

TOPICS	NUMBERS
Accident Reporting	119, 160
Agriculture	140, 143, 148, 154, 157, 165, 169, 171, 176, 177, 178, 189, 197, 199, 202, 208AG, 209AG, 210AG, 211AG, 212AG, 213AG
A.I.D.S.	154, 161, 189
Air Quality	139, 141, 150, 168
Asbestos	156, 189, 195
Automotive	117, 120, 122, 127, 131, 150, 153, 158, 165, 167, 169, 171, 178, 189, 195
Automotive Hoists	120, 122
Blasting	115, 199
Bloodborne Pathogens/Hepatitis	154, 161, 189
Carts and Trolleys (hand)	203
Chemicals/Toxins	107, 116, 117, 136, 143, 147, 151, 152, 156, 189, 195
Cleaning	112, 127, 150, 189, 195
Certification of Powered Lift Lift Truck Operators (Forklifts)	159, 205
Cold (Working in the)	186, 189
Committees (& Representatives)	114, 184, 221, 222
Compressed Air	150, 154, 189
Computers	<i>See "Other Publications" Section for Computer Workstation Booklet.</i>
Construction	100, 102, 105, 106-A, 110, 114, 115, 121, 123, 130, 132, 134, 137, 140, 142, 145, 148, 149, 150, 151, 152, 153, 157, 162, 163, 165, 168, 166, 172, 173, 174, 175, 177, 178, 189, 190, 191, 192, 193, 194, 195, 197, 198, 199, 200
Conveyor Guarding (Mines Safety)	196
Crane Safety	149, 199
Drilling Oversize Rock Chunks Underground – Hazard Alert	229
Electrical Safety/Lock-out	106-A, 118, 140, 163
Ergonomics	187, 188, 191, 192, 200, 203, 232, 233, 234, 235, 236
Excavations	142 – <i>See Following Guideline List for additional information.</i> , 199
Explosions	127, 171, 178
Eyes, Eye Wash Stations & Emergency Showers	104, 154

INDEX OF WORKSAFE BULLETINS BY TOPIC (Continued)

TOPICS	NUMBERS
Fall Protection/Scaffolds	134, 137, 166, 174, 176, 197
Fire/Explosion Hazards	107, 112, 117, 127, 139, 165, 171, 178
Food Industry	102, 104, 108, 111, 119, 124, 127, 133, 145, 155, 159, 161, 170, 179, 186, 189, 190, 192, 195, 199
Forklifts/Steel Racks/ Dock/Warehouse Safety	131, 155, 159, 171, 178, 195, 198, 205
Garment Industry	187, 188, 189, 195
Guarding	108
Hand Injuries	227
Health Care	113, 139, 141, 144, 145, 147, 154, 157, 161, 177, 178, 189, 192, 195
Health Hazards in Funeral Ind.	225
Hearing	179 - <i>See Guideline Section.</i>
Heavy Equipment	100, 103, 110, 130, 148, 169, 198, 199
Hoisting/Cranes	132, 135, 149, 199
Ice (Work on)	162
Isocyanate Paints	111, 143, 145, 189
Ladders	137, 177
Lasers	181
Lifting	192
Logging/Forestry	101, 103, 123, 130, 146, 148, 162, 168, 178, 186, 189, 190, 192, 193, 196, 198, 199
Machinery	108, 117, 118, 127, 130, 131, 132, 142, 146, 148, 149, 150, 153, 155, 159, 162, 163, 165, 167, 169, 171, 172, 178, 189
Mines Safety	196 (Conveyor Guarding), 207M, 214M
Mould	194
Office Safety	113, 133, 139, 141, 145, 190, 192, 193, 203
Oil Wells	173, 175, 185, 199
P.C.B.'s	151, 152, 154, 189
Personal Protective (P.P.E.) Equipment	102, 104, 137, 145, 150, 153, 154, 158, 164, 166, 167, 173, 189, 197, 199
Pesticides	176, 189, 195
Radiation	154, 180, 182, 183, 189
Repetitive Strain Injuries	200

INDEX OF WORKSAFE BULLETINS BY TOPIC (Continued)

TOPICS	NUMBERS
Right to Refuse	193
Responsibilities (Your)	201
Safe Work & the Supervisor	230
Safety Requirements for Work Platforms Mounted on Industrial Forklift Trucks	223
Sandblasting	153, 154, 189
School Safety	111, 133, 141, 145, 154, 156, 160, 164, 176, 177, 178, 189, 190, 192, 194, 195, 226
Servicing Tires and Wheels	228
Smoking (in the Workplace)	139, 237
Spray Booths & Painting	143, 154, 158, 189, 199
Suspicious Mail	206
Swingstage/Bosun's Chair	219
Temperatures (at the Workplace)	133, 154, 186, 189 - <i>Also see Heat Guideline.</i>
Temporary Support Structures/Bracing	105, 121
Taking Student To Work Day	204
Welding Safety (Electric)	154, 165, 189
West Nile Virus	224
W.H.M.I.S. / W.H.H.R. (M.R. 52/88, M.R. 53/88 & Hazardous Wastes)	104, 107, 111, 112, 124, 127, 136, 143, 144, 145, 147, 151, 152, 154, 156, 158, 168, 170, 173, 176, 178, 189, 190, 193, 195
Worker Rights & Responsibilities	231
Working Alone	190, 193

WORKSAFE BULLETINS IN NUMERICAL ORDER

DOCUMENT NUMBER	BULLETIN TITLE
100.....	Rollover Protective structures (ROPS)
101.....	Hazards of "Chicots" (Logging)
102.....	Protective Footwear
103.....	Operator Protective Structures (OPS)
104.....	Eye Safety
105.....	Temporary Bracing for Masonry Walls
106-A.....	Death or Serious Injury...Working Near Power Lines
107.....	Fire Hazard - Methyl Hydrate

Index Of WorkSafe Bulletins By Topic (Continued)

WORKSAFE BULLETINS IN NUMERICAL ORDER (Continued)

DOCUMENT NUMBER	BULLETIN TITLE
108.....	Machinery in Motion (Guarding)
110.....	Skid-Steer Loaders
111.....	The Workplace Health Hazard Regulation (WHH)
112.....	Never use Gasoline/Flammable Solvents as Cleaning Agents
114.....	Construction Workplace Safety and Health (Committees)
115.....	Misfired Blasthole - Death for Driller
117.....	Hazards Of Servicing Propane -Equipped Vehicles
118.....	Locking-Out and Tagging Of Electrical Equipment
119.....	Reporting Serious Accidents
120.....	Maintenance/Inspection - Surface-Mounted Automotive Hoists
121.....	Bracing of Wood Trusses (Construction)
122.....	Maintenance/Inspection In-Ground Automotive Hoists
124.....	Labeling Hazardous Wastes in Your Workplace
127.....	Cleaning/Safeguarding of Small Tanks & Containers (Explosion Hazard - DRUMS)
130.....	Safe Practices...Working Near Heavy Equipment
131.....	Safe Work Practices With Steel Storage Racking
133.....	Worker Discomfort And Increased Temperatures
134.....	Wood Scaffold Planks
135.....	Web Sling Failure - Near Fatality
136.....	Danger - Compressed Chlorine
137.....	Fall Protection Vital
139.....	Smoking in the Workplace
140.....	Agricultural Work Near Overhead Power Lines
141.....	Indoor Air Quality
142.....	Shoring Trench Excavations
143.....	Isocyanates In Paints
144.....	WHMIS and Cosmetics
145.....	Workplace Hazardous Material Information System (WHMIS)
146.....	Sawmill Safety: To Save Your Life
147.....	Formaldehyde
148.....	Blocking of Raised Dump Boxes
149.....	Multiple Mobile Crane Lifts
150.....	Compressed Air For Cleaning
151.....	Polychlorinated Biphenyls - PCBs
152.....	PCBs in Electrical Equipment
153.....	Safe Sandblast Cleaning
154.....	Eye and Face Protection
155.....	Loading Dock Safety (Forklifts/Warehouses)
156.....	Asbestos in Schools
157.....	Hantavirus in Rodents
158.....	Spray Coating (Spray Booths)
159.....	Certification of Powered Lift Truck Operators (Forklifts)
160.....	Reporting Serious Accidents in Schools
161.....	Managing Exposure to Human Blood / Body Fluids
162.....	Work on Ice
163.....	Vehicle Mounted Aerial Devices
164.....	Personal Protective Equipment in Schools
165.....	Electric Welding Safety
166.....	Fall Protection Guideline for Sloped Roof Work
167.....	Proper Seating Required in Emergency Response Vehicles
168.....	Heating Systems in On-Site Buildings
169.....	Working Under Vehicles: Proper Support Required
170.....	Identifying Fixed Piping Systems

WORKSAFE BULLETINS IN NUMERICAL ORDER (Continued)

171..... Fire and Explosion Hazards When Servicing Fuel Tanks
172..... Blind Spots in Mobile Equipment Operations
173..... Danger - H2S (Oil Wells)
174..... Balcony Access - Danger (Fall Protection)
175..... Overhead Equipment (Oil Wells)
176..... Pesticides and Worker WHMIS Education
177..... Portable Ladder Safety
178..... Flammable Liquid Transfer
179..... Use of Portable Radio/Tape/CD Players with Earphones a Factor in Workplace Accidents
180..... Radiation
181..... Lasers
182..... Radiofrequency & Microwave Radiation
183..... Ultraviolet/Radiation
184..... How to Resolve Safety & Health Concerns (Committees)
185..... Service Rig Stability, Guy Line and Anchor Installation (Oil Wells)
186..... Working in the Cold
187..... Safety & Health in the Garment Manufacturing Industry
188..... Ergonomics in the Garment Manufacturing Industry
189..... Protective Gloves (P.P.E.)
190..... Employer Responsibilities for Workers Who Work Alone
191..... Elements of an Ergonomic Program
192..... Lifting
193..... Your Right To Refuse Dangerous Work
194..... Building Related Mould
195..... Hazard Watch (WHMIS)
196..... Conveyor Guarding (Mines)
197..... Fall Protection
198..... Carbon Monoxide Poisoning
199..... Industrial Protective Headwear
200..... Repetitive Strain Injuries
201..... Workplace Safety and Health Your Responsibilities
202..... Livestock Handling
203..... Hand Carts and Trolleys
204..... Take Student To Work Day
205..... Employer Responsibilities Regarding Certification of Powered Lift Truck Operators
206..... Safety Measures for Dealing with "Unusual" Packages or Letters
207M..... HAZARD ALERT – Remote Control Scooptram Incident
208AG..... Intensive Animal Production
209AG..... Grain Augers
210AG..... Farm Safety Communication for Editors, Illustrators, Cinematographers & Photographers
211AG..... Grain/Crop Dusts: Personal Protection
212AG..... Protective Devices for Respiratory Hazards
213AG..... Agricultural Confined Spaces Can Kill You
214M..... HAZARD ALERT – Use of Automatic Shutoff Nozzle for Fueling of Diesel Equipment
215..... Acetylene and Oxygen Cylinders Storage
216..... LEAD EXPOSURE in Demolition Workers
217..... Roofing Operations: Health Hazards of ASPHALT to Building Occupants
218..... Amendments to: The Workplace Safety and Health Act
219..... Operation of Bosun’s Chairs – Safety Requirements
220..... Workplace Safety and Health Program
221..... Workplace Safety and Health Representative Checklist
222..... Workplace Safety and Health Committee Checklist
223..... Safety Requirements for Work Platforms Mounted on Industrial Forklift Trucks
224..... West Nile Virus
225..... Health Hazards in the Funeral Industry
226..... Safety and Health of Students (Duties Under the Workplace Safety and Health Act)
227..... Hand Injuries in Manitoba Workplaces

WORKSAFE BULLETINS IN NUMERICAL ORDER (Continued)

228..... Servicing Tires and Wheels
229..... **Drilling Oversize Rock Chunks Underground – Hazard Alert**
230..... **Safe Work and the Supervisor – Your Responsibilities**
231..... **Workplace Safety and Health – Worker Rights and Responsibilities**
232..... **Making Your Computer Workstation Fit You**
233..... **Ergonomic Hazards of the Seated Posture**
234..... **Office Ergonomics – Neck / Shoulder area Hazards**
235..... **Office Ergonomics – Arm / Hand / Wrist Hazards**
236..... **Ergonomic Risk Assessment**
237
.....SMOKING

AGRICULTURAL MATERIALS UNDER "GOOD FARMING IS NO ACCIDENT" LOGO

- | | |
|--|---|
| 1. * Agricultural Hand Signals | 9. • Handling Of Pesticides |
| 2. * Bale Handling | 10. • Noise: The Invisible Hazard |
| 3. Farm Safety for Children | 11. * Personal Protective Equipment (Devices) |
| 4. • Farm Safety Checklist | 12. • Protective Devices for Respiratory Hazards |
| 5. * First Time Operators | 13. •* Respiratory Hazards |
| 6. • Grain/Crop Dusts: Personal Protection | 14. * Safe Tractor Operation |
| 7. * Grain Augers | 15. • Agricultural Confined Spaces Can Kill You |
| 8. • * Guide to Communicating Farm Safety | 16. • Intensive Animal Production on-the-job Safety and Health (French Translation in Progress) |

CURRENT GUIDANCE DOCUMENTS IN ALPHABETICAL ORDER

- * Asbestos (Operation & Maintenance Program) - **1998 Revision**
- * Asbestos (Working With) - **2000 Revision**
- * Audits (Self)
- * Automotive Lifts
- Chain Saw Safety [**Limited Supply**]
- * Confined Space Entry Work
- Ergonomics (A Guide to Program Development and Implementation)
- * Excavation Work
- Fall Protection
 - Fall Protection for Steel Erection Industry
- * Falsework/Formwork (Construction)
- * Hearing Conservation and Noise Control Regulation Guideline (To Interpretation and Application)
- * Hot Environments (Work in)

- Machine Guarding
 - Mould in Workplaces (Investigation, Assessment, & Remediation of) (March 2001)
 - Office Air Guide to Air Quality In Offices, Schools and Hospitals by Health Canada - (Only available on Health Canada web site)
 - Piping Systems Identification (Fixed)
 - Roof Truss Erection
 - Scaffolding (Access)

 - Steel Storage Racks (Industrial)
 - * Swing Stages
 - Welding
- Workplace Safety and Health Committee Manual**
- Workplace Safety and Health Program – Guide to Setting up**
- Workplace Safety and Health Program – Elements**.....
- Workplace Hazardous Material Information System Regulation (W.H.M.I.S. – MR 52/88)
- Workplace Health Hazard Regulation (W.H.H. – MR 53/88)
- * Work Platforms on Powered Industrial Forklift Trucks
 - * Wood Chippers (Work Practices Using)

“OTHER” PUBLICATIONS – NOTE: COMMITTEE INFORMATION

- Committee Minute Forms Photocopy
- **Computer Workstation Fit You (How to Make Your)** **Booklet**
(See inside cover of booklet for purchasing more copies from WCB in British Columbia.)
- Crane Hand Signal Decal
- Lead Poisoning in Radiator Repair Shops (Preventing)..... Pamphlet
- Members of your Safety and Health Committee are:..... Photocopy
- Publications Catalogue (*This document*) Photocopy
- Small Business “An Ounce of Prevention” (A Brochure for)Brochure
- “Sound Sense Program” (Hearing Program)**..... **Booklet**
- Video Catalogue Photocopy
- SAFE Work Newsletter** (produced quarterly) Booklet
