

Consonant Sounds

Some consonants sounds are made with the lips, tongue, teeth and throat. They are called voiced consonants. Some are made only with the lips, tongue and teeth. They are called unvoiced or voiceless consonants.

Work with a partner. Say the consonants to each other and then put them in the correct column.

Consonants	Voiced	Voiceless
p, b		
d,t		
ch, j		
k, g		
f,v		
<u>th</u> an, <u>th</u> ank		
s, z		
sh, <u>vi</u> sion		
m		
n		
h		
ng		
l		
r		
w
