

Community Government Issues Addressed in GNWT General Submission:

A number of issues of importance to community governments are raised in the GNWT General Submission to the JRP. These items are discussed at length in the submission. The entire text can be found at:

http://www.ngps.nt.ca/Upload/Interveners/Government%20of%20the%20Northwest%20Territories/060202_GNWT_General_Submission.pdf

As well, the GNWT has collected its recommendations in Chapter 11 of the submission, on pages 64 to 69.

Items that may be of interest to community governments include:

- The two overall recommendations:
 - Monitoring and reporting; and
 - Socio-Economic Agreement (SEA)

- Municipal items:
 - 14 – dust control
 - 19 – community water supply
 - 21/28 – Emergency Plans
