

THE *NEW DEAL* FOR COMMUNITY GOVERNMENTS

Governance

Communities take on expanded authorities and accountabilities set out in the new municipal legislation.

Self-government

MACA works with communities to prepare for and support implementation of self-government.

Infrastructure

Communities gain responsibility for all aspects of community public infrastructure, and receive formula funding to support this responsibility.

Local Control

Communities get the benefit of taxes raised locally, to address local priorities.

Innovative Approaches

Communities and MACA work together to pursue innovative approaches to finance infrastructure and to leverage funding from other sources.

Capacity Building

MACA supports innovative approaches to capacity issues.
