It shall be administered in accordance with the following principles:

a) Personal Privacy

The policy shall be applied in a manner which will be considerate and protective of the personal privacy of individuals and records subject to this policy shall be considered for release and severing in a manner consistent with the provisions of the FOIPOP Act.

b) Timeliness

The NSHRC will respond to any "Routine Access" requests in a reasonable and timely fashion.

Fees for the reproduction and provision of records may be charged where authorized by policies, regulations, or statutes.

2. DEFINITIONS

Routine Access is the routine or automatic release, in full or in part, of certain types of administrative or operational records as a matter of course in response to a request without the need for a formal application for records under the *FOIPOP Act*.

Active Dissemination is the periodic and proactive release of information or records in the absence of a request using mechanisms such as the Internet, libraries, etc. .

FOIPOP Access is the release of a record in response to a formal FOIPOP application made under the *Freedom of Information and Protection of Privacy Act*.

Nova Scotia Human Rights Commission Routine Access Policy

A Record “includes books, documents, maps, drawings, photographs, letters, vouchers, papers and any other thing on which information is recorded or stored by graphic, electronic, mechanical or other means, but does not include a computer program or any other mechanism that produces records”. (clause 3(1) (k) *FOIPOP Act*)

3. POLICY OBJECTIVES

The objective of the implementation of this policy is the accessibility of certain records routinely without additional administrative time being required of staff to fulfill “Routine Access” requests . It is also to provide a greater certainty of access for those requesting information, and reflect the spirit of openness and accountability of the FOIPOP legislation.

4. APPLICATION

This policy applies to all staff, and to all records designated under this policy in accordance with the attached schedule.

This policy shall apply only to requests for reasonable quantities of records and shall not apply to a request for more than 50 pages of records in a particular category and/or time period.. Repetitive requests by an individual for significant volumes of records or the separation of a request into several small requests totalling a large volume, shall not be subject to the policy. It is important to ensure that the application of the policy not unduly interfere with the day-to-day operations of the NSHRC.

Requests made under this policy do not apply to information subject to exemptions under the Act. Personal information will be severed with the same criteria and in the same manner as requests made under the FOIPOP Act.

Routine Access requests only apply to information created after October 23, 2003.
