2. Definitions

ROUTINE ACCESS

Routine access is the routine or automatic release, in full or in part, of certain types of administrative or operational records as a matter of course in response to a request without the need for a formal application for records under the *FOIPOP Act*.

ACTIVE DISSEMINATION

Active dissemination is the periodic and proactive release of information or records in the absence of a request using mechanisms such as the Internet, libraries, etc... Refer to Schedule A for types of information available on the Internet.

FOIPOP ACCESS

FOIPOP Access is the release of a record in response to a formal FOIPOP application made under the *Freedom of Information and Protection of Privacy Act*.

RECORD

A record includes books, documents, maps, drawings, photographs, letters, vouchers, papers and any other thing on which information is recorded or stored by graphic, electronic, mechanical or other means, but does not include a computer program or any other mechanism that produces records". [clause 3(1) (k) *FOIPOP Act*]

3. Policy Objectives

The objective of the implementation of this policy is the accessibility of certain records routinely without additional administrative time being required of staff to fulfill Routine Access requests. It is also to provide a greater certainty of access for those requesting information, and to reflect the spirit of openness and accountability of the FOIPOP legislation.

4. Application

This policy applies to all staff, and to all records designated under this policy in accordance with the attached Schedule B.

Routine Access requests only apply to information created after October 23, 2003.

This policy shall apply to requests for reasonable quantities of records and shall not apply to a request for more than 50 pages of records in a particular category and/or time period. Repetitive requests by an individual for significant volumes of records or the separation of a request into several small requests totalling a large volume, shall not be subject to the policy. It is important to ensure that the application of the Routine Access Policy of the department not unduly interfere with the day-to-day operations of the department.

Requests made under Routine Access do not apply to information subject to exemptions under the *Act*, in particular Cabinet confidentially.

Personal information shall be severed with the same criteria and in the same manner as requests made under the *FOIPOP Act*.

5. Policy Directives

Once the policy is drafted, staff will be sent a memorandum advising of the existence of the policy. The policy will also be posted on the Treasury & Policy Board's Web Site and a print version will be provided to all staff who normally would receive requests from the public and the media for records subject to the Routine Access Policy.

The requests may be handled by the persons designated as having the responsibility of responding to Routine Access requests.

A tracking system will be designed to keep track of the records provided through Routine Access.

6. Policy Guidelines

Once a request for "Routine Access" to a particular record, or set of records, has been received by a designated person, it shall be reviewed to determine if the records are listed in Schedule B.

If the policy applies to the request, the records shall be provided to the applicant within a reasonable period of time, but no later than 30 days from receipt of the request.

If the policy does not apply to the request, a response to the requester shall be provided promptly and shall indicate what other avenues may be available to obtain the information (i.e., already provided through Active Dissemination, filing a FOIPOP request, or referred to another department or agency).

Individuals who apply under the *FOIPOP Act* for records available under the Routine Access Policy will have their application fee returned and the records provided.

7. Accountability

The Deputy Minister of Treasury & Policy Board shall be accountable for the implementation of this policy.

8. Compliance

The FOIPOP Administrator of the Treasury & Policy Board shall be responsible for ensuring the tracking and compliance of this policy which shall be subject to audit by the Nova Scotia Government Corporate Internal Audit Unit, Department of Finance.
