

Recognized Agent

Sole proprietors who live in Nova Scotia are not required to have an agent. All others must appoint an agent. If a business has a Recognized Agent, all correspondence from the Registry will go to that agent unless the Registry is given written instructions to the contrary.

The Recognized Agent must be resident in Nova Scotia. Service upon the Recognized Agent of any writ, summons, process, notice or other document shall be deemed to be sufficient upon the company, and this appointment shall remain in force until notice in writing by the company that the individual has ceased to be the Recognized Agent is filed with the Registry.
