

ATTENTION FUR HARVESTERS

Beginning October 15, 2006 Fur Harvesters will be required to clearly **mark their traps or snares** with their:

Wildlife Resources Card Number

* As of June 2006, the new *Wildlife Resources Card Number* is the only accepted identification for Fur Harvesters in Nova Scotia. However, trappers who held a Fur Harvester License in 2005/06 or earlier may use their old Fur Harvester Code number but only to mark their traps and snares.

Traps and snares can be marked in several ways.

Regardless of the method used, the identification number must be clearly marked.

Traps and snares set for red squirrel do not require identification.
