

Making educational planning decisions is easier when you can explore the wide variety of Learning web sites available through our national and provincial database.

[Career Planning](#)[Learning](#)[Employment](#)[Programs/Services](#)

- 

## • **Kindergarten – Grade 12**

---

- **Public Schools**  
Sites that identify and list public schools offering programs from Kindergarten to Grade12.
- **Private Schools**  
Sites that identify and list private schools offering programs from Kindergarten to Grade12.
- **Learning Tools & Resources**  
Resources that provide study tips, how-to-learn strategies, tutors, and other tools or services that support the learning experience.

## • **Preparing for Further Education**

---

- **Upgrading & Literacy**  
Schools and programs for adults that further their high school education. This includes high school completion, upgrading marks and additional courses as well as sources to help individuals advance their reading and writing skills and to improve their general literacy.
- **Prior Learning Assessment & Recognition (PLAR)**  
Organizations that provide assessment and/or recognition of previous experience, training and education for the purpose of certification, continuing education, workplace advancement, etc.

### • **Funding Your Education**

Information on income support, grants, scholarships and bursaries for students.

## • **Post-Secondary Education & Training**

---

- **Community Colleges, Cégeps and Technical Institutes**  
All publicly funded colleges and technical institutes, transfer information, how to choose.
- **Universities**  
All degree-granting universities within your province or territory, transfer information, choosing a university.
- **Private / Specialized Training**  
All privately administered colleges and training institutions.
- **Apprenticeships**  
Designated trades information.
- **Co-op Education**  
Co-op educational programs (a program that combines academic studies with alternate periods of work experience), listings of co-op education opportunities, guides on co-op education programs.
- **Distance Education**  
Post-secondary courses and programs available through mail, Internet, video conferencing, etc. Listings of distance learning programs.
- **Learning Tools & Resources**  
Resources that provide study tips, how-to-learn strategies, tutors, and other tools or services that support the learning experience.

## ● **Learning & Skills Development**

---

- **Language Training**  
Sources that provide ESL, FSL, and other language training programs.
  - **Professional & Personal Development**  
Short term training that increases one's personal or professional skills set. Includes mentoring programs.
  - **Entrepreneur Training**  
Information on programs, resources, and training that is available to enhance entrepreneurs' business skills.
  - **Distance Education**  
Short term courses and programs available through mail, Internet, video conferencing, etc. Listings of distance learning programs.
- **Licensing & Certification Requirements**  
Any organization, board, or association that oversees the licensing and certification of specific occupations.
  - **Accessing Community Support Services**  
Services and programs (may include funding options) available to individuals who require assistance with issues that may affect their life/work (personal, family and health problems, childcare and eldercare).
